PRESENTERS

Michael Saqui has a highly successful track record spanning over almost three decades making him a powerful partner to the clients he represents in all aspects of employer-employee relations.

Raul Calvo created Employer Services, the premier service provider of Management & Leadership Development, Employee Relations, Labor Management Consulting and Training, to help companies better understand, manage, train, and help improve the lives of their employees.

Jesse Rojas started the Redd Group to provide services to political campaigns. His expertise in research and e-presence has played a big role in successful campaigns. He keeps your company the cutting edge of labor relations and labor management techniques.
